## Introduction to the People of Morioh

The town of Morioh, in S City. After the earthquake, protrusions known as Wall Eyes appeared all over town, and a young man buried near one of these protrusions now seeks his own identity together with Yasuho Hirose, who discovered him.

At the store that sold his hat, he learned the name of Yoshikage Kira, a man who had purchased the same hat, as well as the address to his apartment. They met an acquaintance of Kira at the apartment, and, following a photo of Kira together with the wall eyes, they went to the place the young man was found. There, they discover, of all things, the buried corpse of Kira!

Having lost his lead, the unidentified young man is adopted by Norisuke, Josuke's father, and given the name Josuke. He is tasked with caring for his younger sister, Daiya, at Norisuke's request. However, he draws Daiya's ire, and she uses her stand ability to steal his memories! What is her goal! And, what is the significance of the mysterious marking that appears on both Kira's arm and the Higashikata residence's staircase railings!?
